

George Washington Memorial Parkway Weed Warrior Volunteer Program

Volunteers:

- Work to safely remove invasive species from GWMP park sites using hand tools such as loppers, handsaws, hand pruners, and other common hand tools*
- Complete 3 hours of virtual classroom and 2 hours of in-person training
 - Currently in planning stages for training in early June 2025
 - Contact Mireya_Stirzaker@nps.gov to request to be added to the e-mail announcement

**Power tools are not permitted.*

Invasive Species Helpful Resources

Plant Invaders of Mid-Atlantic Natural Areas, Field Guide

<https://www.invasive.org/midatlantic/fieldguide/index.cfm>

Virginia Invasive Plant Species List (Virginia DCR)

<https://www.dcr.virginia.gov/natural-heritage/invspplist>

iNaturalist app

<https://www.inaturalist.org/>

For plant identification in the field as well as for reporting sightings.
